## ANALYSIS

This is a request for a Special Use Permit for an 11,924 square-foot Package Liquor Off-Sale Establishment. This site is within an overall 53,115 square-foot commercial subdivision that presently includes an existing 10,750 square-foot auto parts store/tire center an approved 17,500 square-foot retail center, a 5,128 square foot restaurant, and a 3,500 square-foot convenience store. Additionally there is an approved 5,517 square-foot restaurant to the east of the subject site. There is an existing multi-use transportation trail on the southern portion of the subject site. The proposed display area is 9,307 square feet, with the remaining 2,617 square-feet utilized as storage, office and restrooms.

This proposed development is compatible with the area, requires no variances or waivers, and staff recommends approval.

- **Zoning**

The proposed site plan for this project has been designed for a mixed-use development project. The subject site is located with Town Center Overlay District. The Town Center Development Standards must be met and satisfied. The Centennial Hills Sector Plan specific policies, objectives and goals must also be followed. The underlying zoning is T-C (Town Center) zone which is a major urban center located approximately 15 miles north of Downtown Las Vegas. In general, the Town Center District was established to

permit and encourage the development of a mixed-use employment center and commercial corridor for the Northwestern portion of the Las Vegas valley.

The subject property is zoned T-C (Town Center). The properties within this area are subject to the guidelines in the Town Center Development Standards Manual. The land use on the property is SX-TC (Suburban Mixed Use – Town Center). The Town Center area encourages imaginative development with a mixture of uses. The proposed development and the mix of commercial properties adjacent to this site meets the intent of the Town Center area.

- **Conditions**

Pursuant to the Town Center Development Standards the use shall comply with all minimum conditions, standards and requirements applicable to the use “Package Liquor Off-Sale Establishment” under LVMC 19.04.050.

1. Except as otherwise provided, no package liquor off-sale establishment use (herein after “establishment”) shall be located within 400 feet of any church, synagogue, school, childcare facility licensed for more than twelve children, or City park.
2. Except as otherwise provided in Requirement 3 below, the distances referred to in Requirement 1 shall be determined with reference to the shortest distance between two property lines, one being the property line of the proposed establishment which is closest to the existing use to which the measurement pertains, and the other being the property line of that existing use which is closest to the proposed establishment. The distance shall be measured in a straight line without regard to intervening obstacles. For purposes of measurement, the term “property line” refers to property lines of fee interest parcels and does not include the property line of:
  - a. Any leasehold parcel; or
  - b. Any parcel which lacks access to a public street or has no area for on-site parking and which has been created so as to avoid the distance limitation described in Requirement 1.
3. In the case of an establishment proposed to be located on a parcel of at least 80 acres in size, the minimum distances referred to in Requirement 1 shall be measured in a straight line:
  - a. From the nearest property line of the existing use to the nearest portion of the structure in which the establishment will be located, without regard to intervening obstacles; or
  - b. In the case of a proposed establishment which will be located within a shopping center or other multiple-tenant structure, from the nearest property line of the existing use to the nearest property line of a leasehold or occupancy parcel in which the establishment will be located, without regard to intervening obstacles.

4. The minimum distance requirements in Requirement 1 do not apply to:
  - a. An establishment which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or before July 1, 1992 or in connection with a resort hotel having in excess of 200 guest rooms after July 1, 1992; or
  - b. A proposed retail establishment having more than 50,000 square feet or retail floor space.
5. All businesses, which sell alcoholic beverages, shall conform to the provisions of Chapter 6.50 of the Las Vegas Municipal Code.

## FINDINGS

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **“The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.”**

This proposed development is compatible with the adjacent commercial development in the area. The residential property to the south is buffered by a walking path and screening landscaping, and all necessary setback and residential adjacency standards have been met. Trash enclosures are screened.

2. **“The subject site is physically suitable for the type and intensity of land use proposed.”**

The subject site is suitable for a land use of this intensity, both the zoning and the general plan allow for such a use on this site.

3. **“Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.”**

The site gains access from Azure Drive a 90-foot Town Center Loop Road. The proposed project will share a driveway with the parcel to the east. This parcel is not yet developed. Site access and circulation are acceptable and are adequate in size to meet the requirements of the proposed use.

4. **“Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.”**

Approval of the proposed Special Use Permit for Package Liquor does not conflict with the General Plan for this site or area. The proposed business will be subject to State and City of Las Vegas licensing requirements and inspections and therefore is not a threat to public health, safety or welfare.

**5. The use meets all of the applicable conditions per Title 19.04.**

The Package Liquor, Off-sale Establishment use meets all standard conditions that apply pursuant to Title 19.04.
